Parent Project®

The Parent Project® is a 10-week program offered one day per week in the evenings. It is a nationally recognized program, which offers classes throughout Santa Clara County.

The Parent Project® was created specifically for parents whose adolescents are out-of-control. Parents learn and practice specific prevention and intervention strategies for destructive behaviors.

- Learn to never argue with your child
- Improve school attendance and performance
- Prevent alcohol and drug use
- Stop gang involvement.
- Get your teens back on track.

Partnership

Parent Project® is a collaboration among the District Attorney's Office, the City of San José and the Mayor's Gang Prevention Task Force, Law Enforcement Agencies, School Districts, Community Organizations, and Counseling Agencies countywide striving to keep kids safe.
